**Bill Analysis**

SB 959 requires the Oklahoma Medical Marijuana Authority to develop standards, policies and procedures relating to the establishment of full-time, on-site inspectors. The Authority shall require a full-time, on-site inspector to be present in every licensed marijuana testing laboratory. Such inspectors shall refuse to allow the marijuana and marijuana products to be labeled, marked, stamped, or tagged as certified if the product is contaminated. No licensed inspector shall serve in a licensed testing laboratory more than 30 days.
