

Fiscal Impact
2nd Session of the 59th Legislature

Bill No.:	HB 2872
Version:	CS
Author:	Sen. Rosino
Date:	04/11/2024

Fiscal Analysis

HB 2872 sets the minimal allowable reimbursement rate for an out of network ambulance provider as the lesser of 325% current rate by CMS in the same geographic area or the ambulance service provider's billed charges. Increasing the EGID rate to this amount would result in an annual increase of approximately \$700,000.

FY'25 Impact: \$350,000.00

Full Year Impact: \$700,000.00
