**Fiscal Analysis**

SB 1218 would provide that no person who is 18 years of age or older shall be denied the purchase of a firearm based on his or her age unless otherwise prohibited by state law. The measure requires any licensed dealer who receives a denial on a background check conducted through the National Instant Criminal Background Check System based on age to document all evidence of such denial and submit the evidence to the Oklahoma State Bureau of Investigation. The Oklahoma State Bureau of Investigation does not anticipate a fiscal impact.
