

Fiscal Impact
2nd Session of the 59th Legislature

Bill No.:	SB 1284
Version:	INT
Author:	Sen. Prieto
Date:	01/30/2024

Fiscal Analysis

SB 1284 modifies language regarding the filling of school board vacancies. It directs vacancies to be filled by election, rather than appointment by the board. The bill directs a board of education to make a vacancy declaration, set the filing dates for the declarations of candidacy, and adopt a resolution calling for a special election. This bill has no fiscal impact to the Board. County election boards may be affected.
