

Fiscal Impact
1st Session of the 59th Legislature

| | |
|------------------|---------------------|
| Bill No.: | SB 154 |
| Version: | INT |
| Author: | Sen. Stanley |
| Date: | 02/27/2023 |

Fiscal Analysis

SB 154 amends the RSA. It provides exemptions from administration of reading screening instruments to students who participate in the Oklahoma Alternate Assessment program, students who primary expressive and/or receptive communication is sign language, students whose primary form of written or read text is Braille, or students who have been identified as English learners who have had less than one school year of instruction in an English learner program. The SDE does not believe there will be a fiscal impact.

FY'24 Impact: None

Full Year Impact: None
