Fiscal Analysis

Based on conversations with other states with nuclear power plants, but uncertain and variable over time. \$150,000 for one-time rule development, \$800,000 annually per regulated facility for regulatory and lab functions. OEM, OSDH, OCC, ODAFF and law enforcement agencies would have roles in emergency planning, preparedness, exercises/drills, environmental/agricultural monitoring. Total costs to state/local agencies estimated at \$2.5 million up front, \$2 million annually.

FY'24 Impact: \$2.5 million

Full Year Impact: \$2 million
