Re: RBH No. 6524

RBH No. 6524 removes the earnings limitation for Oklahoma Teachers Retirement System retired participants who returned to covered employment and continue to receive benefit payments. They must have been retired for at least 60 days.

RBH No. 6524 is a fiscal bill as defined by OPLAAA. The change can or might encourage active teachers to retire sooner since they will be able to return to teaching while receiving retirement benefits.
