

STATE OF OKLAHOMA

2nd Session of the 59th Legislature (2024)

HOUSE BILL 3884

By: Ford

AS INTRODUCED

An Act relating to school mapping data; defining term; prescribing requirements for school mapping data; providing for use of data by law enforcement; creating School District Mapping Data Grant Program; authorizing the Oklahoma Department of Public Safety to make application for funding; imposing requirements with respect to funds; providing for codification; providing an effective date; and declaring an emergency.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 5-149.1 of Title 70, unless there is created a duplication in numbering, reads as follows:

A. As used in this section, the term "school mapping data" means information provided in an electronic or digital format to assist first responders in responding to emergencies at schools.

B. The school mapping data provided must:

1. Be compatible with software platforms used by local, county, state, and federal public safety agencies that provide emergency services to the specific school for which the data is provided

1 without requiring such agencies to purchase additional software or
2 requiring a fee to view or access the data;

3 2. Be compatible with security software platforms in use by the
4 specific school for which the data is provided without requiring the
5 local law enforcement agencies or school districts to purchase
6 additional software or requiring a fee to view or access the data;

7 3. Be in a printable format and, if requested in addition to
8 subsection A of this section, be in a digital file format that can
9 be integrated into interactive mobile platforms in use;

10 4. Be verified by the entity producing the data for accuracy by
11 a walk-through of school buildings and grounds;

12 5. Be oriented true north;

13 6. Be overlaid on current aerial imagery;

14 7. Contain site-specific labeling that matches the structure of
15 school buildings, including room labels, hallway names, and external
16 door or stairwell numbers and locations of hazards, critical utility
17 locations, key boxes, automated external defibrillators, and trauma
18 kits;

19 8. Contain site-specific labeling that matches the school
20 grounds, including parking areas, athletic fields, surrounding
21 roads, and neighboring properties; and

22 9. Be overlaid with gridded "x" and "y" coordinates.

23 C. School mapping data as defined by this section shall not be
24 modified or updated independently without corresponding updates to
--

1 school mapping data within software platforms used by local, county,
2 state, and federal public safety agencies that provide emergency
3 services to the specific school.

4 D. In order to facilitate efficient emergency response by
5 public safety agencies in the State of Oklahoma, the School District
6 Mapping Data Grant Program is created within the Oklahoma Department
7 of Public Safety. The Oklahoma Department of Public Safety may
8 apply to receive funds to provide school mapping data for each
9 public school, including charter schools, in the district and each
10 private school. The Oklahoma Department of Public Safety shall use
11 the funds to satisfy all or some of the requirements of this
12 section, which may include procuring a vendor to provide such data.
13 The entity producing the data is responsible for providing the data
14 to the Oklahoma Department of Public Safety, school district, and
15 local law enforcement and public safety agencies for use in response
16 to emergencies and for conducting any required or authorized drills.

17 SECTION 2. This act shall become effective July 1, 2024.

18 SECTION 3. It being immediately necessary for the preservation
19 of the public peace, health or safety, an emergency is hereby
20 declared to exist, by reason whereof this act shall take effect and
21 be in full force from and after its passage and approval.
