3 is created a duplication in numbering, reads as follows:

4 This act shall be known and may be cited as the "State Accounts
5 for Federal Expenditures Act" (SAFE Act).

6 SECTION 2. NEW LAW A new section of law to be codified
7 in the Oklahoma Statutes as Section 5002 of Title 62, unless there
8 is created a duplication in numbering, reads as follows:

9 As used in the State Accounts for Federal Expenditures Act:

10 1. "Agency" means any agency, board, bureau, commission, or
11 other entity organized within the executive department of state
12 government;

13 2. "Block grant" means a funding mechanism used by the federal
14 government that is not based on a program or an application; and

15 3. "Competitive grant" means a grant an agency applies for to
16 receive federal funding that is not necessarily associated with a
17 federal program the agency already operates.

18 SECTION 3. NEW LAW A new section of law to be codified
19 in the Oklahoma Statutes as Section 5003 of Title 62, unless there
20 is created a duplication in numbering, reads as follows:

21 There is hereby created in the State Treasury "State Accounts
22 for Federal Expenditures" (SAFE Accounts). These accounts shall be
23 used by agencies for funds received under competitive grant awards,
24 direct monetary payments to the agency not associated with an

1 established federal program the agency operates, and block grants.
2 These accounts shall not be used for existing federal programs
3 agencies operate as of January 1, 2025, unless the program is a
4 competitive grant the agency must reapply for funds after November
5 1, 2025.

6 SECTION 4. NEW LAW A new section of law to be codified
7 in the Oklahoma Statutes as Section 5004 of Title 62, unless there
8 is created a duplication in numbering, reads as follows:

9 A. Beginning November 1, 2025, all agencies applying for
10 competitive grants through *Grants.gov*, or any of its successors,
11 shall submit to the Speaker of the Oklahoma House of
12 Representatives, the President Pro Tempore of the Oklahoma State
13 Senate, the Governor, the House Appropriations and Budget Chair, the
14 Senate Appropriations Chair, and the Secretary of Finance notice of
15 the application that includes, but is not limited to, the
16 application deadline, when the agency expects to hear it will be
17 receiving funds under the grant, what federal department, agency, or
18 other federal entity is awarding the grant, the amount of the grant,
19 the purpose of the grant, and for how many years the agency will
20 receive funding under the grant if it is awarded.

21 B. Beginning with the FY-2027 Budget Performance Reviews as
22 described in Section 34.95 of Title 62 of the Oklahoma Statutes,
23 agencies shall present information on the competitive grants they
24 have applied for or are applying for regardless of whether the

1 agency has submitted notice to the persons mentioned in subsection A
2 of this section. Such information shall be contained in the
3 agency's Budget Performance Review document and presentation.

4 C. No agency shall draw down funds for a competitive grant
5 unless it has received approval by the Legislature. Approval shall
6 be satisfied by a concurrent resolution. Upon approval, a SAFE
7 Account shall be created by the Office of Management and Enterprise
8 Services. Once the account has been created, if the agency is
9 awarded the grant, the agency shall be authorized to draw down on
10 federal funds as the requirements of the grant have been met. In
11 the event the competitive grant is not approved by the Legislature,
12 the agency shall notify the federal government and withdraw its
13 application for the funding.

14 SECTION 5. NEW LAW A new section of law to be codified
15 in the Oklahoma Statutes as Section 5005 of Title 62, unless there
16 is created a duplication in numbering, reads as follows:

17 A. Beginning November 1, 2025, in the event the federal
18 government, through legislation, directs funds to be granted to
19 state agencies as a form of monetary relief for states due to poor
20 economic conditions, these funds shall be placed in SAFE Accounts
21 except for the exemptions provided in subsection E of this section.

22 B. Once informed by the federal government that an agency is
23 eligible to receive new funding sources, the agency shall submit to
24 the Speaker of the Oklahoma House of Representatives, the President

1 Pro Tempore of the Oklahoma State Senate, the Governor, the House
2 Appropriations and Budget Chair, the Senate Appropriations Chair,
3 and the Secretary of Finance notice of the new funding source that
4 includes, but is not limited to, the amount of funds the agency is
5 to receive, what date or dates it is expected to receive or draw
6 down those funds, what timeline it has to obligate and expend the
7 funds, and the purpose of the funds.

8 C. The Legislature shall hold formal hearings where the agency
9 or agencies present this information. No agency shall draw down
10 funds from federal legislation providing monetary relief unless it
11 has had a formal hearing and received approval by the Legislature.
12 Approval shall be satisfied by concurrent resolution.

13 D. Upon approval, a SAFE Account shall be created by the Office
14 of Management and Enterprise Services. Once the account has been
15 created, the agency shall be authorized to draw down the federal
16 funds in the manner determined by federal statute or federal rules.
17 In the event the Legislature does not approve of the use of these
18 funds, the agency shall notify the federal government in the manner
19 as required by the federal act.

20 E. Upon the effective date of this act, nothing in this section
21 shall apply to temporary increases in existing federal programs
22 already managed by state agencies.

1 SECTION 6. NEW LAW A new section of law to be codified
2 in the Oklahoma Statutes as Section 5006 of Title 62, unless there
3 is created a duplication in numbering, reads as follows:

4 A. Beginning July 1, 2025, if the federal government, through
5 legislation, directs that all federal funds to states are
6 appropriated as block grants instead of program-specific funding,
7 these funds shall be placed in SAFE Accounts created by the Office
8 of Management and Enterprise Services for the correct agency or
9 agencies that utilize the funds.

10 B. For federal programs that are already in existence, agencies
11 shall be able to access these funds immediately in order to prevent
12 a stop in service to the people of Oklahoma.

13 C. For both current and new programs, agencies shall submit
14 information as required under Section 34.36 of Title 62 of the
15 Oklahoma Statutes. Agencies shall also present such information as
16 required in Section 34.95 of Title 62 of the Oklahoma Statutes.

17 D. The Legislature may formally disapprove of an agency's use
18 of block grant funding through a concurrent resolution. If such
19 disapproval occurs, the agency shall inform its corresponding
20 federal entity of the disapproval and withdraw from receiving such
21 funds. If no action is taken by the Legislature on block grant
22 funding, it is deemed approved and agencies shall use said funds in
23 accordance with governing federal and state laws.

16 Each spending agency, whether or not it receives state
17 appropriations, shall submit analysis reports as required by the
