SECTION 2. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 6060.51 of Title 36, unless there is created a duplication in numbering, reads as follows:

A. An enrollee may choose to pay for a health care service out-of-pocket from a licensed health care provider. If an enrollee obtains a medically necessary health care service covered by the enrollee's health benefit plan and negotiates for a lower price from

1 a licensed health care provider than the average allowed amount  
2 established by the enrollee's health benefits plan for the covered  
3 health care service, and the enrollee pays for the health care  
4 service out-of-pocket, the enrollee may send documentation, which  
5 may be sent electronically, to the carrier, that provides the  
6 following:

7 1. The health care service the enrollee or patient received and  
8 the licensed health care provider's name and contact information;

9 2. If a health care provider's order is required by the  
10 enrollee's policy, the order from the health care provider given to  
11 the enrollee or patient and the final bill or statement for the  
12 health care service;

13 3. The negotiated cost of the health care service that the  
14 enrollee received:

15 a. the enrollee paid out-of-pocket for the health care  
16 services received, and

17 b. the health care entity is not making a claim against  
18 the carrier for payment for the health care service  
19 provided to the enrollee or patient; and

20 4. The health care provider shall accept the enrollee's payment  
21 as payment in full and shall not bill the enrollee or the health  
22 benefit plan for any balance between the amount collected from the  
23 enrollee and the provider's billed charge for the service.

24

1 B. A carrier that receives the documentation described in  
2 subsection A of this section shall count the full amount that the  
3 enrollee paid out-of-pocket toward the enrollee's deductible, and  
4 annual maximum out-of-pocket expense:

5 1. If the health care service is covered under the enrollee's  
6 health benefit plan; and

7 2. The enrollee negotiated for a lower cost for the health care  
8 service than the average allowed amount established by the  
9 enrollee's health benefit plan for that covered health care service.

10 C. The amount of the enrollee's out-of-pocket cost shall be  
11 attributed to the in-network deductible, and annual maximum out-of-  
12 pocket expense, if the provider was an in-network provider, and to  
13 the out-of-network deductible, and annual maximum out-of-pocket  
14 expense if the provider was an out-of-network provider.

15 D. The amount counted toward an enrollee's applicable out-of-  
16 pocket deductible, and annual maximum out-of-pocket expense shall  
17 not exceed the total amount that the enrollee is required to pay  
18 out-of-pocket during a contractually agreed upon period of time for  
19 health care services that are included under the covered person's  
20 insurance plan, and does not carry over once a new contract or  
21 agreement period for the insurance plan begins.

22 SECTION 3. This act shall become effective November 1, 2025.
