BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. AMENDATORY 70 O.S. 2021, Section 16-106, is  
amended to read as follows:

Section 16-106. A. All contracts with publishers shall be  
signed by the chairperson and secretary of the State Textbook  
Committee on behalf of the state. Each contract shall stipulate the  
price at which each textbook will be sold to the State of Oklahoma,  
and that all copies supplied to the State of Oklahoma will be equal

1 to or better than the official copy filed with the secretary of the  
2 Committee. The State Textbook Committee may approve the  
3 substitution of a later edition in lieu of the textbook originally  
4 selected. The publisher shall stipulate in the contract that:

5 1. The price for which the textbook is to be furnished will be  
6 the lowest at which the same textbook will be sold or offered for  
7 sale for the purpose of securing a state or local selection or  
8 adoption elsewhere in the United States during the six (6) months  
9 prior to the date of the execution of the contract;

10 2. It will reduce the contract price of the textbook, if the  
11 price of the same textbook is reduced below such contract price  
12 elsewhere in the United States, and that it will file with the  
13 secretary of the Committee a sworn statement of such reduction made  
14 elsewhere;

15 3. If it prepares any supplementary or abridged or special  
16 editions of any of the textbooks, and shall sell such editions  
17 elsewhere at a lower price than that stipulated in the contract, it  
18 will file copies of any and all such editions, together with the  
19 prices thereof, with the secretary of the Committee;

20 4. It has not entered into any understanding, agreement or  
21 combination to control the prices or restrict competition in the  
22 sale of textbooks;

23  
24

2 during the term of the contract in such amounts as may be required;

4           6. It will furnish for a like period in lieu of the  
5 corresponding textbooks under contract any other books listed in any  
6 annual statement subsequently filed by it during the term of the  
7 contract to any school district at the lowest new prices contained  
8 in such statement, and that it will maintain said prices uniformly  
9 through the state; and

10          7. All electronic materials furnished in lieu of or bundled  
11 with a physical textbook are ready for use or will be ready for use  
12 by the date of delivery.

13           B. Textbooks selected by the State Textbook Committee may be  
14 purchased by school districts at the prices for which contracts have  
15 been awarded, pending the effective dates of the contracts.

16           C. The chairperson and secretary of the State Textbook  
17 Committee, on the advice and consent of the attorney for the State

3 are provided to the Committee shall be in a format prescribed by  
4 federal law or regulations promulgated by the United States  
5 Department of Education which requires national standards for  
6 electronic files to be used for production of accessible  
7 instructional materials. In the absence of a federal law or  
8 regulation establishing a national standard, a file format standard  
9 shall be prescribed by the State Department of Rehabilitation  
10 Services.
