4. No later than ninety (90) days after the court has ordered the individualized service plan if the parent has made no measurable progress in correcting the conditions which caused the child to be adjudicated deprived; or

5. After a period of fifteen (15) months if a parent has not corrected the circumstances which led the child to be adjudicated to

1 be a deprived child and if the court makes a finding pursuant to  
2 paragraph 16 of subsection B of Section 1-4-904 of this title.

3 B. If any of the following conditions exist, the district  
4 attorney is not required to file a petition as provided in  
5 subsection A of this section for a deprived child:

6 1. At the option of the Department or by order of the court,  
7 the child is properly being cared for by a relative;

8 2. The Department has documented a compelling reason for  
9 determining that filing a petition to terminate parental rights  
10 would not serve the best interests of the child that may include  
11 consideration of any of the following circumstances:

12 a. the parents or legal guardians have maintained a  
13 relationship with the child and the child would  
14 benefit from continuing this relationship,

15 b. the child, who is twelve (12) years or older, objects  
16 to the termination of the parent-child legal  
17 relationship,

18 c. the foster parents of the child are unable to adopt  
19 the child because of exceptional circumstances which  
20 do not include an unwillingness to accept legal  
21 responsibility for the child but are willing and  
22 capable of providing the child with a stable and  
23 permanent environment, and the removal of the child  
24 from the physical custody of the foster parents would

1 be seriously detrimental to the emotional well-being  
2 of the child because the child has substantial  
3 psychological ties to the foster parents,

4 d. the child is not capable of achieving stability if  
5 placed in a family setting, or

6 e. the child is an unaccompanied, refugee minor and the  
7 situation regarding the child involves international  
8 legal issues or compelling foreign policy issues; or

9 3. The state has not provided to the family of the child,  
10 consistent with the time period in the state case plan, services  
11 that the state deems necessary for the safe return of the child to  
12 the child's home, if reasonable efforts are required to be made with  
13 respect to the child.

14 SECTION 5. AMENDATORY 10A O.S. 2021, Section 1-4-904, is  
15 amended to read as follows:

16 Section 1-4-904. A. A court shall not terminate the rights of  
17 a parent to a child unless:

18 1. The child has been adjudicated to be deprived either prior  
19 to or concurrently with a proceeding to terminate parental rights;  
20 and

21 2. Termination of parental rights is in the best interests of  
22 the child.

23 B. The court may terminate the rights of a parent to a child  
24 based upon the following legal grounds:

1           1. Upon the duly acknowledged written consent of a parent, who  
2 voluntarily agrees to termination of parental rights.

3           a. The voluntary consent for termination of parental  
4 rights shall be signed under oath and recorded before  
5 a judge of a court of competent jurisdiction and  
6 accompanied by the judge's certificate that the terms  
7 and consequences of the consent were fully explained  
8 in detail in English and were fully understood by the  
9 parent or that the consent was translated into a  
10 language that the parent understood.

11          b. A voluntary consent for termination of parental rights  
12 is effective when it is signed and may not be revoked  
13 except upon clear and convincing evidence that the  
14 consent was executed by reason of fraud or duress.

15          c. However, notwithstanding the provisions in this  
16 paragraph, in any proceeding for a voluntary  
17 termination of parental rights to an Indian child, the  
18 consent of the parent may be withdrawn for any reason  
19 at any time prior to the entry of a final decree of  
20 termination. Any consent given prior to, or within  
21 ten (10) days after, the birth of an Indian child

8 intention to resume physical custody of the child or  
9 to make permanent legal arrangements for the care of  
10 the child;

11 5. A finding that:

12 a. the parent has failed to correct the condition which  
13 led to the deprived adjudication of the child, and

14 b. the parent has been given at least three (3) months to  
15 correct the condition;

16 6. A finding that:

17 a. the rights of the parent to another child have been  
18 terminated, and

19 b. the conditions that led to the prior termination of  
20 parental rights have not been corrected;

21 7. A finding that a parent who does not have custody of the

2 neglected to contribute to the support of the child:

3 a. as specified by an order entered by a court of  
4 competent jurisdiction adjudicating the duty, amount  
5 and manner of support, or

6 b. where an order of child support does not exist,  
7 according to the financial ability of the parent to  
8 contribute to the child's support.

9 Incidental or token support shall not be construed or considered in  
10 establishing whether a parent has maintained or contributed to the  
11 support of the child;

14 9. A finding that the parent has abused or neglected any child  
15 or failed to protect any child from abuse or neglect that is heinous  
16 or shocking;

17 10. A finding that the parent has previously abused or  
18 neglected the child or a sibling of the child or failed to protect  
19 the child or a sibling of the child from abuse or neglect and the  
20 child or a sibling of the child has been subjected to subsequent  
21 abuse;

22 11. A finding that the child was conceived as a result of rape  
23 perpetrated by the parent whose rights are sought to be terminated;  
24

1           12. A finding that the parent whose rights are sought to be  
2 terminated is incarcerated, and the continuation of parental rights  
3 would result in harm to the child based on consideration of the  
4 following factors, among others:

- 5           a. the duration of incarceration and its detrimental
- 6                 effect on the parent/child relationship,
- 7           b. any previous convictions resulting in involuntary
- 8                 confinement in a secure facility,
- 9           c. the parent's history of criminal behavior, including

- 14                child by the parent,
- 15           f. the current relationship between the parent and the
- 16                child, and
- 17           g. the manner in which the parent has exercised parental
- 18                rights and duties in the past.

19           Provided, that the incarceration of a parent shall not in and of  
20 itself be sufficient to deprive a parent of parental rights;

21           13. A finding that all of the following exist:

- 22           a. the parent has a diagnosed cognitive disorder, an
- 23                 extreme physical incapacity, or a medical condition,
- 24                 including behavioral health, which renders the parent

1 incapable of adequately and appropriately exercising  
2 parental rights, duties, and responsibilities within a  
3 reasonable time considering the age of the child, and

4 b. allowing the parent to have custody would cause the  
5 child actual harm or harm in the near future.

6 A parent's refusal or pattern of noncompliance with treatment,  
7 therapy, medication, or assistance from outside the home can be used  
8 as evidence that the parent is incapable of adequately and  
9 appropriately exercising parental rights, duties, and  
10 responsibilities.

11 A finding that a parent has a diagnosed cognitive disorder, an  
12 extreme physical incapacity, or a medical condition, including  
13 behavioral health or substance dependency, shall not in and of  
14 itself deprive the parent of parental rights;

15 14. A finding that:

- 16 a. the condition that led to the deprived adjudication  
17 has been the subject of a previous deprived  
18 adjudication of this child or a sibling of this child,  
19 and  
20 b. the parent has been given an opportunity to correct  
21 the conditions which led to the determination of the  
22 initial deprived child;

23 15. A finding that there exists a substantial erosion of the  
24 relationship between the parent and child caused at least in part by

1 the parent's serious or aggravated neglect of the child, physical or  
2 sexual abuse or exploitation of the child, a prolonged and  
3 unreasonable absence of the parent from the child or an unreasonable  
4 failure by the parent to visit or communicate in a meaningful way  
5 with the child;

6 16. A finding that a child ~~four (4) years of age or older at~~  
7 ~~the time of placement has been placed in foster care by the~~  
8 ~~Department of Human Services for fifteen (15) of the most recent~~  
9 ~~twenty-two (22) months preceding the filing of the petition or~~  
10 ~~motion for termination of parental rights and the child cannot, at~~  
11 ~~the time of the filing of the petition or motion, be safely returned~~  
12 ~~to the home of the parent. For purposes of this paragraph, a child~~  
13 ~~shall be considered to have entered foster care on the earlier of:~~

- 14 a. ~~the adjudication date, or~~
- 15 b. ~~the date that is sixty (60) days after the date on~~  
16 ~~which the child is removed from the home~~

17 has been in foster care for not less than fifteen (15) months of the  
18 most recent twenty-two (22) months and that the parent has not  
19 corrected the circumstances which led the child to be adjudicated to  
20 be a deprived child, unless:

- 21 a. a parent has made substantial progress toward  
22 eliminating the problem that caused the child's  
23 placement in foster care, it is likely that the child  
24 will be able to safely return to the parent's home

- 1           within three (3) months, and the child's return to the  
2           parent's home will be in the child's best interests,  
3       b. the child has a close and positive relationship with a  
4           parent and a permanent plan that does not include  
5           termination of parental rights will provide the most  
6           secure and appropriate placement for the child,  
7       c. the child is fourteen (14) years of age or older, is  
8           firmly opposed to termination of parental rights, and  
9           is likely to disrupt an attempt to place the child  
10           with an adoptive family,  
11       d. a parent is terminally ill but in remission, does not  
12           want parental rights to be terminated, and has  
13           designated a guardian for the child,  
14       e. the child is not capable of functioning if placed in a  
15           family setting. In such a case, the court shall  
16           reevaluate the status of the child every ninety (90)  
17           days unless there is a court determination that the  
18           child cannot be placed in a family setting,  
19       f. the child is an unaccompanied, refugee minor and the  
20           case involves international legal issues or compelling  
21           foreign policy issues,  
22       g. adoption is not an appropriate plan for the child,  
23       h. the parent's incarceration constitutes the primary  
24           factor in the child's placement in substitute care and

1 termination of parental rights is not in the child's  
2 best interest,

3 i. the parent's participation in a court-ordered  
4 residential substance abuse treatment program  
5 constitutes the primary factor in the child's  
6 placement in substitute care and termination of  
7 parental rights is not in the child's best interest.

8 For purposes of this paragraph, a child shall be considered to  
9 have entered foster care on the earlier of the adjudication date, or  
10 the date that is sixty (60) days after the date on which the child  
11 is removed from the home.

12 The court may also consider circumstances of the failure of the  
13 parent to develop and maintain a parental bond with the child in a  
14 meaningful, supportive manner, and whether allowing the parent to  
15 have custody would likely cause the child actual serious  
16 psychological harm or harm in the near future as a result of the  
17 removal of the child from the substitute caregiver due to the  
18 existence of a strong and positive bond between the child and  
19 caregiver; and

20 17. A finding that a child younger than four (4) years of age  
21 at the time of placement has been placed in foster care by the  
22 Department of Human Services for at least six (6) of the twelve (12)  
23 months preceding the filing of the petition or motion for  
24

1 termination of parental rights and the child cannot be safely  
2 returned to the home of the parent.

3 a. For purposes of this paragraph, a child shall be  
4 considered to have entered foster care on the earlier  
5 of:

6 (1) the adjudication date, or

7 (2) the date that is sixty (60) days after the date  
8 on which the child is removed from the home.

9 b. For purposes of this paragraph, the court may  
10 consider:

11 (1) circumstances of the failure of the parent to  
12 develop and maintain a parental bond with the  
13 child in a meaningful, supportive manner, and

14 (2) whether allowing the parent to have custody would  
15 likely cause the child actual serious  
16 psychological harm or harm in the near future as  
17 a result of the removal of the child from the  
18 substitute caregiver due to the existence of a  
19 strong, positive bond between the child and  
20 caregiver.

21 C. An order directing the termination of parental rights is a  
22 final appealable order.

23 D. The provisions of this section shall not apply to adoption  
24 proceedings and actions to terminate parental rights which do not

1 involve a petition for deprived status of the child. Such  
2 proceedings and actions shall be governed by the Oklahoma Adoption  
3 Code.

4 SECTION 6. AMENDATORY 10A O.S. 2021, Section 2-2-104, is  
5 amended to read as follows:

6 Section 2-2-104. A. A preliminary inquiry shall be conducted  
7 to determine whether the interests of the public or of the child who  
8 is within the purview of the Oklahoma Juvenile Code require that  
9 further court action be taken. If it is determined by the  
10 preliminary inquiry that no further action be taken and if agreed to  
11 by the district attorney, the intake worker may make such informal  
12 adjustment without a petition.

13 B. In the course of the preliminary inquiry, the intake worker  
14 shall:

15 1. Hold conferences with the child and the parents, guardian or  
16 custodian of the child for the purpose of discussing the disposition  
17 of the referral made;

18 2. Interview such persons as necessary to determine whether the  
19 filing of a petition would be in the best interests of the child and  
20 the community;

21 3. Check existing records of any district court or tribal  
22 court, law enforcement agencies, Office of Juvenile Affairs, and  
23 Department of Human Services;

24

1 4. Obtain existing mental health, medical and educational  
2 records of the child with the consent of the parents, guardian or  
3 custodian of the child or by court order; and

4 5. Administer any screening and assessment instruments or refer  
5 for necessary screening and assessments to assist in the  
6 determination of any immediate needs of the child as well as the  
7 immediate risks to the community. All screening and assessment  
8 instruments shall be uniformly used by all intake workers, including  
9 those employed by juvenile bureaus, and shall be instruments  
10 specifically prescribed by the Office of Juvenile Affairs.

11 C. Upon review of any information presented in the preliminary  
12 inquiry, the district attorney may consult with the intake worker to  
13 determine whether the interests of the child and the public will be  
14 best served by the dismissal of the complaint, the informal  
15 adjustment of the complaint, or the filing of a petition.

16 D. ~~Informal adjustment may be provided to the child~~ If a child  
17 is charged with a delinquent act as a result of a first-time,  
18 nonviolent offense which would be a misdemeanor if committed by an  
19 adult, an informal adjustment shall be considered for the child,  
20 pursuant to the guidelines in subsection E of this section, by the  
21 intake worker only where the facts reasonably appear to establish  
22 prima facie jurisdiction and are admitted and where consent is  
23 obtained from the district attorney, the parent of the child, legal  
24 guardian, legal custodian, or legal counsel, if any, and the child.

1        E. The informal adjustment is an agreement whereby the child  
2 agrees to fulfill certain conditions in exchange for not having a  
3 petition filed against the child. The informal adjustment shall be  
4 completed within a period of time not to exceed six (6) months and  
5 shall:

6            1. Be voluntarily entered into by all parties;

7            2. Be revocable by the child at any time by a written  
8 revocation;

9            3. Be revocable by the intake worker in the event there is  
10 reasonable cause to believe the child has failed to carry out the  
11 terms of the informal adjustment or has committed a subsequent  
12 offense;

13           4. Not be used as evidence against the child at any  
14 adjudication hearing;

15           5. Be executed in writing and expressed in language  
16 understandable to the persons involved; and

17           6. Become part of the juvenile record of the child.

18        ~~E.~~ F. The informal adjustment agreement under this section may  
19 include, among other suitable methods, programs and procedures, the  
20 following:

21           1. Participation in or referral to counseling, a period of  
22 community service, drug or alcohol education or treatment,  
23 vocational training or any other legal activity which in the opinion  
24

1 of the intake officer would be beneficial to the child and family of  
2 the child;

3 2. Require the child to undergo a behavioral health evaluation  
4 and, if warranted, undergo appropriate care or treatment;

5 3. Restitution providing for monetary payment by the parents or  
6 child to the victim who was physically injured or who suffered loss  
7 of or damage to property as a result of the conduct alleged. Before  
8 setting the amount of restitution, the intake officer shall consult  
9 with the victim concerning the amount of damages; or

10 4. Informal adjustment projects, programs and services may be  
11 provided through public or private agencies.

12 If the intake worker has reasonable cause to believe that the child  
13 has failed to carry out the terms of the adjustment agreement or has  
14 committed a subsequent offense, in lieu of revoking the agreement,  
15 the intake worker may modify the terms of the agreement and extend  
16 the period of the agreement for an additional six (6) months from  
17 the date on which the modification was made with the consent of the  
18 child or counsel of the child, if any.

19 ~~F.~~ G. If an informal adjustment is agreed to pursuant to  
20 subsection D of this section, the informal adjustment agreement may  
21 require the child to pay a fee equal to no more than what the court  
22 costs would have been had a petition been filed. The child shall  
23 remit the fee directly to the agency responsible for the monitoring  
24 and supervision of the child. If the supervising agency is a

1 juvenile bureau, then the fee shall be remitted to a revolving fund  
2 of the county in which the juvenile bureau is located to be  
3 designated the "Juvenile Deferral Fee Revolving Fund" and shall be  
4 used by the juvenile bureau to defray costs for the operation of the  
5 juvenile bureau. In those counties without juvenile bureaus and in  
6 which the Office of Juvenile Affairs or one of their contracting  
7 agencies provides the monitoring and supervision of the juvenile,  
8 the fee shall be paid directly to the Office of Juvenile Affairs and  
9 shall be used to defray the costs for the operation of the Office of  
10 Juvenile Affairs.

11 H. The Office of Juvenile Affairs shall conduct an assessment  
12 for any child who successfully completes an informal adjustment  
13 utilizing program evaluations and data collection. The collected  
14 data may include, but shall not be limited to:

- 15 1. Recidivism;
- 16 2. School engagement;
- 17 3. Social engagement; and
- 18 4. Graduation rates.

19 SECTION 7. This act shall become effective November 1, 2025.
