12 duties, or responsibilities, or that such person had a reasonable  
13 basis for believing occurred within the scope of Commission  
14 employment, duties, or responsibilities, provided that the actual or  
15 alleged act, error, or omission did not result from the intentional  
16 or willful or wanton misconduct of that person.

17 4. Nothing herein shall be construed as a limitation on the  
18 liability of any Licensee for professional malpractice or  
19 misconduct, which shall be governed solely by any other applicable  
20 State laws.

21 5. Nothing in this Compact shall be interpreted to waive or  
22 otherwise abrogate a Member State's state action immunity or state  
23 action affirmative defense with respect to antitrust claims under  
24

1 the Sherman Act, Clayton Act, or any other State or federal  
2 antitrust or anticompetitive law or regulation.

4 sovereign immunity by the Member States or by the Commission.

12 License a unique identifier, as determined by the Rules of the  
13 Commission.

14 C. Notwithstanding any other provision of State law to the  
15 contrary, a Member State shall submit a uniform data set to the Data  
16 System on all individuals to whom this Compact is applicable as  
17 required by the Rules of the Commission, including:

18 1. Identifying information;

19 2. Licensure data;

20 3. Adverse Actions against a license and information related  
21 thereto;

22 4. Nonconfidential information related to Alternative Program  
23 participation, the beginning and ending dates of such participation,  
24

1 and other information related to such participation not made  
2 confidential under Member State law;

3 5. Any denial of application for licensure, and the reason(s)  
4 for such denial;

5 6. The presence of Current Significant Investigative

8 administration or the public's protection, as determined by the  
9 Rules of the Commission.

10 D. The records and information provided to a Member State  
11 pursuant to this Compact or through the Data System, when certified  
12 by the Commission or an agent thereof, shall constitute the  
13 authenticated business records of the Commission, and shall be  
14 entitled to any associated hearsay exception in any relevant  
15 judicial, quasi-judicial or administrative proceedings in a Member  
16 State.

17 E. Current Significant Investigative Information pertaining to  
18 a Licensee in any Member State will only be available to other  
19 Member States.

20 1. It is the responsibility of the Member States to report any  
21 Adverse Action against a Licensee and to monitor the database to  
22 determine whether Adverse Action has been taken against a Licensee.  
23 Adverse Action information pertaining to a Licensee in any Member  
24 State will be available to any other Member State.

1 F. Member States contributing information to the Data System  
2 may designate information that may not be shared with the public  
3 without the express permission of the contributing State.

4 G. Any information submitted to the Data System that is  
5 subsequently expunged pursuant to federal law or the laws of the  
6 Member State contributing the information shall be removed from the  
7 Data System.

8 SECTION 12. NEW LAW A new section of law to be codified  
9 in the Oklahoma Statutes as Section 1292 of Title 59, unless there  
10 is created a duplication in numbering, reads as follows:

11 A. The Commission shall promulgate reasonable Rules in order to  
12 effectively and efficiently implement and administer the purposes  
13 and provisions of the Compact. A Rule shall be invalid and have no  
14 force or effect only if a court of competent jurisdiction holds that  
15 the Rule is invalid because the Commission exercised its rulemaking  
16 authority in a manner that is beyond the scope and purposes of the  
17 Compact, or the powers granted hereunder, or based upon another  
18 applicable standard of review.

19 B. The Rules of the Commission shall have the force of law in  
20 each Member State, provided however that where the Rules of the  
21 Commission conflict with the laws of the Member State that establish  
22 the Member State's laws, regulations, and applicable standards that  
23 govern the practice of Social Work as held by a court of competent  
24

1 jurisdiction, the Rules of the Commission shall be ineffective in  
2 that State to the extent of the conflict.

3 C. The Commission shall exercise its Rulemaking powers pursuant  
4 to the criteria set forth in this section and the Rules adopted  
5 thereunder. Rules shall become binding on the day following  
6 adoption or the date specified in the rule or amendment, whichever  
7 is later.

8 D. If a majority of the legislatures of the Member States  
9 rejects a Rule or portion of a Rule, by enactment of a statute or  
10 resolution in the same manner used to adopt the Compact within four  
11 (4) years of the date of adoption of the Rule, then such Rule shall  
12 have no further force and effect in any Member State.

13 E. Rules shall be adopted at a regular or special meeting of  
14 the Commission.

15 F. Prior to adoption of a proposed Rule, the Commission shall  
16 hold a public hearing and allow persons to provide oral and written  
17 comments, data, facts, opinions, and arguments.

18 G. Prior to adoption of a proposed Rule by the Commission, and  
19 at least thirty (30) days in advance of the meeting at which the  
20 Commission will hold a public hearing on the proposed Rule, the  
21 Commission shall provide a Notice of Proposed Rulemaking:

22 1. On the website of the Commission or other publicly  
23 accessible platform;

24

1           2. To persons who have requested notice of the Commission's  
2 notices of proposed rulemaking; and

3           3. In such other way(s) as the Commission may by Rule specify.

4           H. The Notice of Proposed Rulemaking shall include:

5           1. The time, date, and location of the public hearing at which  
6 the Commission will hear public comments on the proposed Rule and,  
7 if different, the time, date, and location of the meeting where the  
8 Commission will consider and vote on the proposed Rule;

9           2. If the hearing is held via telecommunication,  
10 videoconference, or other electronic means, the Commission shall  
11 include the mechanism for access to the hearing in the Notice of  
12 Proposed Rulemaking;

13           3. The text of the proposed Rule and the reason therefor;

14           4. A request for comments on the proposed Rule from any  
15 interested person; and

16           5. The manner in which interested persons may submit written  
17 comments.

18           I. All hearings will be recorded. A copy of the recording and  
19 all written comments and documents received by the Commission in  
20 response to the proposed Rule shall be available to the public.

21           J. Nothing in this section shall be construed as requiring a  
22 separate hearing on each Rule. Rules may be grouped for the  
23 convenience of the Commission at hearings required by this section.

24

1 K. The Commission shall, by majority vote of all members, take  
2 final action on the proposed Rule based on the Rulemaking record and  
3 the full text of the Rule.

4 1. The Commission may adopt changes to the proposed Rule  
5 provided the changes do not enlarge the original purpose of the  
6 proposed Rule.

7 2. The Commission shall provide an explanation of the reasons  
8 for substantive changes made to the proposed Rule as well as reasons  
9 for substantive changes not made that were recommended by  
10 commenters.

11 3. The Commission shall determine a reasonable effective date  
12 for the Rule. Except for an emergency as provided in Section 12.L,  
13 the effective date of the rule shall be no sooner than thirty (30)  
14 days after issuing the notice that it adopted or amended the Rule.

15 L. Upon determination that an emergency exists, the Commission  
16 may consider and adopt an emergency Rule with forty-eight (48)  
17 hours' notice, with opportunity to comment, provided that the usual  
18 Rulemaking procedures provided in the Compact and in this section  
19 shall be retroactively applied to the Rule as soon as reasonably  
20 possible, in no event later than ninety (90) days after the  
21 effective date of the Rule. For the purposes of this provision, an  
22 emergency Rule is one that must be adopted immediately in order to:

23 1. Meet an imminent threat to public health, safety, or  
24 welfare;

1        2. Prevent a loss of Commission or Member State funds;

2        3. Meet a deadline for the promulgation of a Rule that is  
3 established by federal law or rule; or

4        4. Protect public health and safety.

5        M. The Commission or an authorized committee of the Commission  
6 may direct revisions to a previously adopted Rule for purposes of  
7 correcting typographical errors, errors in format, errors in  
8 consistency, or grammatical errors. Public notice of any revisions  
9 shall be posted on the website of the Commission. The revision  
10 shall be subject to challenge by any person for a period of thirty  
11 (30) days after posting. The revision may be challenged only on  
12 grounds that the revision results in a material change to a Rule. A  
13 challenge shall be made in writing and delivered to the Commission  
14 prior to the end of the notice period. If no challenge is made, the  
15 revision will take effect without further action. If the revision  
16 is challenged, the revision may not take effect without the approval  
17 of the Commission.

18        N. No Member State's rulemaking requirements shall apply under  
19 this compact.

20        SECTION 13.        NEW LAW        A new section of law to be codified  
21 in the Oklahoma Statutes as Section 1293 of Title 59, unless there  
22 is created a duplication in numbering, reads as follows:

23        A. Oversight  
24

1           1. The executive and judicial branches of State government in  
2 each Member State shall enforce this Compact and take all actions  
3 necessary and appropriate to implement the Compact.

4           2. Except as otherwise provided in this Compact, venue is  
5 proper and judicial proceedings by or against the Commission shall  
6 be brought solely and exclusively in a court of competent  
7 jurisdiction where the principal office of the Commission is  
8 located. The Commission may waive venue and jurisdictional defenses  
9 to the extent it adopts or consents to participate in alternative  
10 dispute resolution proceedings. Nothing herein shall affect or  
11 limit the selection or propriety of venue in any action against a  
12 Licensee for professional malpractice, misconduct or any such  
13 similar matter.

14           3. The Commission shall be entitled to receive service of  
15 process in any proceeding regarding the enforcement or  
16 interpretation of the Compact and shall have standing to intervene  
17 in such a proceeding for all purposes. Failure to provide the  
18 Commission service of process shall render a judgment or order void  
19 as to the Commission, this Compact, or promulgated Rules.

20           B. Default, Technical Assistance, and Termination

21           1. If the Commission determines that a Member State has  
22 defaulted in the performance of its obligations or responsibilities  
23 under this Compact or the promulgated Rules, the Commission shall  
24 provide written notice to the defaulting State. The notice of

1 default shall describe the default, the proposed means of curing the  
2 default, and any other action that the Commission may take, and  
3 shall offer training and specific technical assistance regarding the  
4 default.

5 2. The Commission shall provide a copy of the notice of default  
6 to the other Member States.

7 C. If a State in default fails to cure the default, the  
8 defaulting State may be terminated from the Compact upon an  
9 affirmative vote of a majority of the delegates of the Member  
10 States, and all rights, privileges and benefits conferred on that  
11 State by this Compact may be terminated on the effective date of  
12 termination. A cure of the default does not relieve the offending  
13 State of obligations or liabilities incurred during the period of  
14 default.

15 D. Termination of membership in the Compact shall be imposed  
16 only after all other means of securing compliance have been  
17 exhausted. Notice of intent to suspend or terminate shall be given  
18 by the Commission to the governor, the majority and minority leaders  
19 of the defaulting State's legislature, the defaulting State's State  
20 Licensing Authority and each of the Member States' State Licensing  
21 Authority.

22 E. A State that has been terminated is responsible for all  
23 assessments, obligations, and liabilities incurred through the  
24

1 effective date of termination, including obligations that extend  
2 beyond the effective date of termination.

3 F. Upon the termination of a State's membership from this  
4 Compact, that State shall immediately provide notice to all  
5 Licensees within that State of such termination. The terminated  
6 State shall continue to recognize all licenses granted pursuant to  
7 this Compact for a minimum of six (6) months after the date of said  
8 notice of termination.

9 G. The Commission shall not bear any costs related to a State  
10 that is found to be in default or that has been terminated from the  
11 Compact, unless agreed upon in writing between the Commission and  
12 the defaulting State.

13 H. The defaulting State may appeal the action of the Commission  
14 by petitioning the U.S. District Court for the District of Columbia  
15 or the federal district where the Commission has its principal  
16 offices. The prevailing party shall be awarded all costs of such  
17 litigation, including reasonable attorney's fees.

18 I. Dispute Resolution

19 1. Upon request by a Member State, the Commission shall attempt  
20 to resolve disputes related to the Compact that arise among Member  
21 States and between Member and non-Member States.

22 2. The Commission shall promulgate a Rule providing for both  
23 mediation and binding dispute resolution for disputes as  
24 appropriate.

1 J. Enforcement

2 1. By majority vote as provided by Rule, the Commission may  
3 initiate legal action against a Member State in default in the  
4 United States District Court for the District of Columbia or the  
5 federal district where the Commission has its principal offices to  
6 enforce compliance with the provisions of the Compact and its  
7 promulgated Rules. The relief sought may include both injunctive  
8 relief and damages. In the event judicial enforcement is necessary,  
9 the prevailing party shall be awarded all costs of such litigation,  
10 including reasonable attorney's fees. The remedies herein shall not  
11 be the exclusive remedies of the Commission. The Commission may  
12 pursue any other remedies available under federal or the defaulting  
13 Member State's law.

14 2. A Member State may initiate legal action against the  
15 Commission in the U.S. District Court for the District of Columbia  
16 or the federal district where the Commission has its principal  
17 offices to enforce compliance with the provisions of the Compact and  
18 its promulgated Rules. The relief sought may include both  
19 injunctive relief and damages. In the event judicial enforcement is  
20 necessary, the prevailing party shall be awarded all costs of such  
21 litigation, including reasonable attorney's fees.

22 3. No person other than a Member State shall enforce this  
23 compact against the Commission.  
24

1 SECTION 14. NEW LAW A new section of law to be codified  
2 in the Oklahoma Statutes as Section 1294 of Title 59, unless there  
3 is created a duplication in numbering, reads as follows:

4 A. The Compact shall come into effect on the date on which the  
5 Compact statute is enacted into law in the seventh Member State.

6 1. On or after the effective date of the Compact, the  
7 Commission shall convene and review the enactment of each of the  
8 first seven Member States ("Charter Member States") to determine if  
9 the statute enacted by each such Charter Member State is materially  
10 different than the model Compact statute.

11 a. A Charter Member State whose enactment is found to be  
12 materially different from the model Compact statute  
13 shall be entitled to the default process set forth in  
14 Section 13.

15 b. If any Member State is later found to be in default,  
16 or is terminated or withdraws from the Compact, the  
17 Commission shall remain in existence and the Compact  
18 shall remain in effect even if the number of Member  
19 States should be less than seven.

20 2. Member States enacting the Compact subsequent to the seven  
21 initial Charter Member States shall be subject to the process set  
22 forth in Section 10(C)(21) to determine if their enactments are  
23 materially different from the model Compact statute and whether they  
24 qualify for participation in the Compact.

1           3. All actions taken for the benefit of the Commission or in  
2 furtherance of the purposes of the administration of the Compact  
3 prior to the effective date of the Compact or the Commission coming  
4 into existence shall be considered to be actions of the Commission  
5 unless specifically repudiated by the Commission.

6           4. Any State that joins the Compact subsequent to the  
7 Commission's initial adoption of the Rules and bylaws shall be  
8 subject to the Rules and bylaws as they exist on the date on which  
9 the Compact becomes law in that State. Any Rule that has been  
10 previously adopted by the Commission shall have the full force and  
11 effect of law on the day the Compact becomes law in that State.

12           B. Any Member State may withdraw from this Compact by enacting  
13 a statute repealing the same.

14           1. A Member State's withdrawal shall not take effect until one  
15 hundred eighty (180) days after enactment of the repealing statute.

16           2. Withdrawal shall not affect the continuing requirement of  
17 the withdrawing State's Licensing Authority to comply with the  
18 investigative and Adverse Action reporting requirements of this  
19 Compact prior to the effective date of withdrawal.

20           3. Upon the enactment of a statute withdrawing from this  
21 compact, a State shall immediately provide notice of such withdrawal  
22 to all Licensees within that State. Notwithstanding any subsequent  
23 statutory enactment to the contrary, such withdrawing State shall  
24 continue to recognize all licenses granted pursuant to this compact

1 for a minimum of one hundred eighty (180) days after the date of  
2 such notice of withdrawal.

3 C. Nothing contained in this Compact shall be construed to  
4 invalidate or prevent any licensure agreement or other cooperative  
5 arrangement between a Member State and a non-Member State that does  
6 not conflict with the provisions of this Compact.

7 D. This Compact may be amended by the Member States. No  
8 amendment to this Compact shall become effective and binding upon  
9 any Member State until it is enacted into the laws of all Member  
10 States.

11 SECTION 15. NEW LAW A new section of law to be codified  
12 in the Oklahoma Statutes as Section 1295 of Title 59, unless there  
13 is created a duplication in numbering, reads as follows:

14 A. This Compact and the Commission's rulemaking authority shall  
15 be liberally construed so as to effectuate the purposes, and the  
16 implementation and administration of the Compact. Provisions of the  
17 Compact expressly authorizing or requiring the promulgation of Rules  
18 shall not be construed to limit the Commission's rulemaking  
19 authority solely for those purposes.

20 B. The provisions of this Compact shall be severable and if any  
21 phrase, clause, sentence, or provision of this Compact is held by a  
22 court of competent jurisdiction to be contrary to the constitution  
23 of any Member State, a State seeking participation in the Compact,  
24 or of the United States, or the applicability thereof to any

1 government, agency, person, or circumstance is held to be  
2 unconstitutional by a court of competent jurisdiction, the validity  
3 of the remainder of this Compact and the applicability thereof to  
4 any other government, agency, person or circumstance shall not be  
5 affected thereby.

6 C. Notwithstanding subsection B of this section, the Commission  
7 may deny a State's participation in the Compact or, in accordance  
8 with the requirements of Section 13.B, terminate a Member State's  
9 participation in the Compact, if it determines that a constitutional  
10 requirement of a Member State is a material departure from the  
11 Compact. Otherwise, if this Compact shall be held to be contrary to  
12 the constitution of any Member State, the Compact shall remain in  
13 full force and effect as to the remaining Member States and in full  
14 force and effect as to the Member State affected as to all severable  
15 matters.

16 SECTION 16. NEW LAW A new section of law to be codified  
17 in the Oklahoma Statutes as Section 1296 of Title 59, unless there  
18 is created a duplication in numbering, reads as follows:

19 A. A Licensee providing services in a Remote State under a  
20 Multistate Authorization to Practice shall adhere to the laws and  
21 regulations, including laws, regulations, and applicable standards,  
22 of the Remote State where the client is located at the time care is  
23 rendered.

24

1 B. Nothing herein shall prevent or inhibit the enforcement of  
2 any other law of a Member State that is not inconsistent with the  
3 Compact.

4 C. Any laws, statutes, regulations, or other legal requirements  
5 in a Member State in conflict with the Compact are superseded to the  
6 extent of the conflict.

7 D. All permissible agreements between the Commission and the  
8 Member States are binding in accordance with their terms.

9 SECTION 17. This act shall become effective November 1, 2025.
