17 Section 34.53. A. 1. The Oklahoma State System of Higher  
18 Education, established by Article XIII-A of the Oklahoma

20 procedure set out in the Oklahoma State Finance Act for other  
21 agencies of the state except that the Oklahoma State Regents for  
22 Higher Education shall be substituted for the Director of the Office  
23 of Management and Enterprise Services in connection with approving  
24 allotment requests of the constituent institutions comprising The  
Oklahoma State System of Higher Education.

1           2. The account classification for the State System of Higher

7 made by the Legislature, an amount sufficient to meet the needs and  
8 functions of each institution for the entire year.

9           4. The amount allocated to each institution for each fiscal  
10 year in accordance with Article XIII-A of the Oklahoma Constitution,

5 2. Such requests shall be broken down to conform to the uniform  
6 budget or accounting classifications recommended by the National

17 1. The current financial requirements of the institution  
18 concerned justify the allotment to be made;

19 2. The accounting classification is sufficient to reflect the  
20 purpose for which expenditures are to be made and that such  
21 classification is in accordance with the budget classifications  
22 adopted by the Director of the Office of Management and Enterprise

24

1 to the account classification recommended by the National Committee  
2 on Standard Reports for Institutions of Higher Education; and

3 3. The realization of estimated revenues determined by the  
4 Director of the Office of Management and Enterprise Services is

3 may be required, prior to the date on which the first payroll or  
4 other disbursement affected by such amendment or transfer is

6 G. 1. In the event that the realization of estimated revenues  
7 at any time during the fiscal year indicates that the total revenue

9 end of the fiscal year to meet the total appropriations from that  
10 fund, the Director of the Office of Management and Enterprise

18 estimated revenues indicates that the total appropriation may be  
19 allotted for expenditure. Upon receipt of notice from the Director  
20 of the Office of Management and Enterprise Services of a necessary  
21 reduction in the consolidated, or lump sum appropriation, to meet a  
22 failure in revenue, the Oklahoma State Regents for Higher Education  
23 shall immediately take action to control the approval of subsequent  
24 allotment requests sufficient to make the aggregate reduction in

1 allotments of all constituent institutions under their control equal  
2 the amount of reduction ordered against the lump sum appropriation  
3 made by the Legislature. Such reductions against the lump sum
