- B. Every agent of a foreign principal from a country of particular concern who has filed a registration statement required by subsection A of this section shall, within thirty (30) days after the expiration of each period of six (6) months succeeding such filing, file with the Attorney General a supplement to the statement

under oath, on a form prescribed by the Attorney General, which shall set forth with respect to the preceding six (6) months' period such facts as the Attorney General, having due regard for the national security and the public interest, may deem necessary to make the information required under this section accurate, complete, and current with respect to such period. In connection with the information furnished under paragraphs 3, 4, 6, and 9 of subsection A of this section, the registrant shall give notice to the Attorney General of any changes within ten (10) days after such changes occur. If the Attorney General, having due regard for the national security and the public interest, determines that it is necessary to carry out the purposes of this act, he or she may, in any particular case, require supplements to the registration statement to be filed at more frequent intervals in respect to all or particular items of information to be furnished.

D. The fact that a registration statement or supplement has been filed shall not be deemed a full compliance with this act and any regulations under this act on the part of the registrant, nor shall it indicate that the Attorney General has in any way passed upon the merits of such registration statement or supplement. Such filing shall not preclude prosecution for willful failure to file a registration statement or supplement when due, for a willful false statement of a material fact or the willful omission of a material fact required to be stated, or the willful omission of a material fact or copy of a material document necessary to make the statements made in a registration statement and supplements, and the copies of accompanying documents, not misleading.

E. If an agent of a foreign principal from a country of particular concern required to register under the provisions of this act has previously registered, the Attorney General, in order to eliminate inappropriate duplication, may permit incorporation by reference in the registration statement or supplements filed under this act of any information or documents previously filed by such agent of a foreign principal from a country of particular concern under the provisions of this section.
