BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA:

SECTION 1. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 1-758.1 of Title 63, unless there is created a duplication in numbering, reads as follows:

A. As used in this section:

1. "Abortion" means the use or prescription of any instrument, medicine, drug, or any other substance or device intentionally to terminate the pregnancy of a female known to be pregnant with an intention other than to increase the probability of a live birth, to

1 preserve the life or health of the unborn person after live birth,  
2 or to remove a dead unborn person who died as the result of a  
3 spontaneous miscarriage, accidental trauma, or a criminal assault on  
4 the pregnant female or her unborn person; and

5 2. "Abortion-inducing drug" means a medicine, drug, or any  
6 other substance prescribed or dispensed with the intent of  
7 terminating the pregnancy of a woman known to be pregnant, with  
8 knowledge that the termination will with reasonable likelihood cause  
9 the death of the unborn person. This includes the off-label use of  
10 drugs known to have abortion-inducing properties, which are  
11 prescribed specifically with the intent of causing an abortion, such  
12 as mifepristone (Mifeprex), misoprostol (Cytotec), and methotrexate.  
13 This definition does not apply to drugs that may be known to cause  
14 an abortion, but which are prescribed for other medical indications,  
15 such as chemotherapeutic agents and diagnostic drugs. The use of  
16 such drugs to induce abortion is also known as "medical",  
17 "medication", "RU-486", "chemical", "Mifeprex regimen", or "drug-  
18 induced" abortion.

19 B. No person shall knowingly or recklessly give, sell,  
20 dispense, administer, prescribe, distribute, traffic, or otherwise  
21 provide to any other person in this state an abortion-inducing drug  
22 to be used for the purpose of inducing an abortion in violation of  
23 Section 861 of Title 21 of the Oklahoma Statutes or for the purpose  
24

1 of inducing labor with the intent to cause the death of the unborn  
2 person after live birth through intentional or negligent acts.

3 C. In addition to such other penalties as may be prescribed by  
4 law:

5 1. Any person including, but not limited to, a health care  
6 provider as described in paragraph 2 of this subsection who is found  
7 to be in violation of this section shall, upon conviction, be guilty  
8 of a felony; and

9 2. The licensing board of any health care provider found to be  
10 in violation of this section shall immediately revoke the health  
11 care provider's professional license.

12 SECTION 2. NEW LAW A new section of law to be codified  
13 in the Oklahoma Statutes as Section 1-758.2 of Title 63, unless  
14 there is created a duplication in numbering, reads as follows:

15 If any provision, word, phrase, or clause of this act or the  
16 application thereof to any person or circumstance is held invalid,  
17 such invalidity shall make the entire act invalid and to this end,  
18 the provisions, words, phrases, and clauses of this act are declared  
19 to be inseverable.
