10 D. The Board shall not reinstate the license or certificate of

24 any of these causes, unless the person accused has been given at

1 least twenty (20) days' notice in writing of the charge against him  
2 or her and a public hearing by the Board; provided, three-fourths

4 in an emergency situation if the licensee affected is provided a  
5 public hearing within thirty (30) days of the emergency suspension.

6 ~~C.~~ F. The State Board of Osteopathic Examiners shall have the

23 this section.

1           SECTION 15.           NEW LAW           A new section of law to be codified  
2 in the Oklahoma Statutes as Section 637.2 of Title 59, unless there  
3 is created a duplication in numbering, reads as follows:

4           A. At any time after the State Board of Osteopathic Examiners  
5 has revoked or suspended the license to practice osteopathic  
6 medicine or surgery of any person, the Board, upon its own motion  
7 and of its own authority and right, may reconsider such order and  
8 decision for any reason deemed by it to be sufficient and may, in  
9 its discretion, reinstate the license of such person.

10          B. At any time after the expiration of twelve (12) months from  
11 the date the license of any person to practice osteopathic medicine

13 time after the expiration of six (6) months from the date the  
14 license of any person to practice osteopathic medicine or surgery  
15 has been suspended by the Board, such person whose license has been  
16 so revoked or suspended may file an application with the executive  
17 director of the Board, together with an application fee set by the  
18 Board, to reinstate the license. The Board may further prescribe  
19 through rule a process in which an application to reinstate may be  
20 pursued.

21           SECTION 16.           NEW LAW           A new section of law to be codified  
22 in the Oklahoma Statutes as Section 637.3 of Title 59, unless there  
23 is created a duplication in numbering, reads as follows:

1 A. The State Board of Osteopathic Examiners is hereby given  
2 quasi-judicial powers while sitting as a Board for the purpose of  
3 revoking, suspending, or imposing other disciplinary actions upon  
4 the license of osteopathic physicians or surgeons of this state.

5 B. To the extent necessary to allow the Board the power to  
6 enforce disciplinary actions imposed by the Board, in the exercise  
7 of its authority, the Board may punish willful violations of its  
8 orders and impose additional penalties as allowed by Section 638 of  
9 Title 59 of the Oklahoma Statutes.

10 SECTION 17. AMENDATORY 59 O.S. 2021, Section 641, is  
11 amended to read as follows:

12 Section 641. A. All persons legally licensed to practice  
13 osteopathic medicine in this state, on or before the first day of

11 of any health care institution or voluntary limitation of the  
12 licensee's staff privileges at such an institution if that action  
13 occurred while the licensee was under formal or informal  
14 investigation by the institution or a committee thereof for any  
15 reason related to alleged medical incompetence, unprofessional  
16 conduct, or mental or physical impairment;

17       6. The licensee's voluntary resignation or withdrawal from a  
18 national, state, or county medical society, association, or

21 reason related to possible medical incompetence, unprofessional or  
22 unethical conduct, or mental or physical impairment;

23       7. Whether the licensee has had any health conditions that may

21 the application for a renewal; provided, the Board may excuse the  
22 failure of the licensee to attend the educational program in the  
23 case of illness or other unavoidable casualty rendering it

1 impossible for the licensee to have attended the educational program  
2 or its equivalent.

3 2. The Board shall require that the licensee receive not less  
4 than one (1) hour of education in pain management or one (1) hour of  
5 education in opioid use or addiction each year preceding an

17 license fee as herein provided, and proper forms shall accompany the  
18 notice upon which the licensee shall make application for renewal of  
19 the certificate.

20 F. The licensee shall attest to the veracity of the application  
21 form for license renewal. Failure to report fully and correctly  
22 shall be grounds for disciplinary action by the Board.
