8 be expressed as hatred toward Jews. Rhetorical and physical  
9 manifestations of antisemitism are directed toward Jewish or non-

12 not mean criticism of Israel that is similar to criticism toward any  
13 other country. The provisions of this paragraph shall include any  
14 amendments adopted by the International Holocaust Remembrance  
15 Alliance;

16 2. "Institution of higher education" means an institution of

21 B. Discrimination on the basis of race, ethnicity, national  
22 origin, sex, disability, religion, or marital status against a

14 based organizations and ethnic solidarity organizations to select  
15 leadership committed to their group's mission and principles.

16 D. All institution of higher education and public school  
17 classes shall be available to all students without regard to race,

20 not prohibit the provision of programs designed to meet the needs of  
21 students with limited proficiency in English, gifted students, or  
22 students with disabilities or programs tailored to students with  
23 specialized talents or skills.

1 E. Guidance, counseling, and financial assistance services in

15 integrate the definition of antisemitism provided for in Section 1  
16 of this act into their student, faculty, and employee codes of  
17 conduct. Prohibited conduct as it specifically relates to  
18 antisemitism shall include harassment and discrimination against  
19 Jews in compliance with Title VI of the Civil Rights Act of 1964 and

21 discrimination and harassment.

22 2. The Title VI coordinator designated pursuant to paragraph 1  
23 of this subsection shall thoroughly investigate all submitted  
24 complaints. If after a reasonable investigation a Title VI

1 coordinator determines that a public school has engaged in, allowed,  
2 or not sufficiently prohibited antisemitic discrimination, the State  
3 Department of Education shall provide written notice to the public  
4 school to address the complaint within thirty (30) days of receiving  
5 the notice.

6 3. If the Title VI coordinator determines that the public

24

1 the institution of higher education to address the complaint within  
2 thirty (30) days of receiving the notice.

4 of higher education has not taken the necessary actions to address  
5 the complaint within thirty (30) days of receiving the notice, the  
6 State Regents shall report their findings to the United States  
7 Department of Education and the United States Department of Justice  
8 by making a complaint under Title VI of the Civil Rights Act of  
9 1964.
