**Research Analysis**

The proposed subcommittee substitute to HB 1125 requires the Oklahoma Department of Transportation (ODOT) to pay for the installation, repair, and maintenance costs for any curbs, inlets, inlet grates, inlet hoods, and inlet structures on municipal streets that are a continuation of the state or federal highway system except when performing fill and inlay projects. ODOT is only required to cover such costs in municipalities with a population of 100,000 or less.
