The Floor amendment adds an emergency clause.

**Fiscal Analysis**

The CS to HB1346 changes the term "child pornography" to the term "child sexual abuse material" throughout the Oklahoma Statutes, and also repeals duplicate sections of law. In its current form, this measure is not anticipated to have a material impact on state budget or appropriations.

The FA1 to the CS of HB1346 replaces the effective date with an emergency. This does not change the fiscal impact of the measure.
