**Research Analysis**

HB1381, as introduced, requires the ABLE Commission to prepare an annual report by December 31 each year, detailing the number of licenses revoked or suspended and the reasons for the actions; and the number of tickets issued, total ticket amounts, and total penalties.

The report must be submitted to the Governor, Speaker of the House, Senate President Pro Tempore, and published on the ABLE Commission's website.

**Fiscal Analysis**

HB 1381 requires the Oklahoma Alcoholic Beverage Laws Enforcement (ABLE) Commission to report annually on the number of licenses revoked or suspended, the reasons for each action, number of tickets written, and the total amount penalized. The report is to be submitted to the Governor, Speaker of the Oklahoma House of Representatives, and President Pro-temp of the Oklahoma State Senate, and published online.

ABLE Commission officials confirmed they can include this information in their annual report without any additional cost to the agency, thus having no direct fiscal impact on the state budget or appropriations.
