Research Analysis

HB 1547, as introduced, amends what items are considered in the expenditure of funds for agricultural fairs and exhibitions to remove telegraph expenses and add digital and electronic communication, internet, and supporting equipment. The measure outlines that members-elect of the county fair association must designate a day where they will have a twelve-hour window to vote for a president, vice president, secretary, and board of directors. These individuals elected may be removed from their position for attending less than 50% of meetings in a calendar year or by a unanimous vote of all other members.
