**Research Analysis**

HB 1563 modifies the requirements for the issuance of criminal subpoenas. The measure provides that a subpoena issued to a law enforcement agency may command the production of body camera videos, vehicle mounted camera videos, traffic camera videos, and law enforcement incident reports. The measure requires every subpoena issued to state the name of the court which issued the subpoena and the title of the action. The party responsible for the issuance of a subpoena is to take reasonable steps to avoid imposing undue burden or expense on a person subject to the subpoena. The measure provides reasons for which the court is to quash or modify a subpoena. A subpoena requiring the production of personal or confidential information about a victim may be served on a victim or a third party only by court order. The measure provides that if a subpoena commands production of documents and things or inspection of premises from a nonparty before trial but does not require attendance of a witness, the subpoena must specify a date and location for the production or inspection that is at least seven days after the date that the subpoena and provides a timeline for written objections. The measure allows for the service of a subpoena by mail.

**Fiscal Analysis**

HB1563 modifies procedures related to criminal subpoenas. Any costs related to this are expected to be immaterial and in accordance with the normal duties pursuant to the issuance of subpoenas. Therefore, in its current form, this measure is not anticipated to have a material impact on state budget or appropriations.
