**Research Analysis**

HB 1575, as introduced, creates the Streamlined Services Act, which establishes a unified and streamlined eligibility and enrollment systems within the Oklahoma Department of Human Services to improve access to and management of services. The system must promote efficiency, accessibility, and coordination of services to all programs listed, but will not be just limited to the listed programs. The Department must coordinate with any state agency or community partner that administers a specified program. The Department must also conduct a feasibility study to identify further opportunities to integrate more programs into the system over time. The Department must also develop, implement, and administer an integrated access system to addresses the meets the listed criteria. The Department of Human Services must issue a request for proposals within six months of the act's effective date and launch the system for public use within one year. They must also establish benchmarks and provide updates to the Governor and Legislature every six months until the system is fully operational.

**Fiscal Analysis**

HB 1575 establishes the Streamlined Services Act, which requires the Department of Human Services (DHS) to develop, implement, and administer an integrated system for applicants to apply and manage benefits across multiple state funded programs.

The measure requires DHS to issue a request for proposals (RFP) for the development of an integrated system within six (6) months and launch the system within one (1) year of the effective date of the act. Officials from DHS anticipate a total cost of One Hundred Million Dollars (\$100,000,000) to implement the provisions of the measure, with the state's share being Sixty Million Dollars (\$60,000,000).

<b>Fiscal Impact Analysis</b>
