**Fiscal Analysis**

HB 1662 requires the Corporation Commission to create and submit an annual report regarding all interactions with the Southwest Power Pool (SPP) to be submitted to both House and Senate leadership. Per the Corporation Commission, the agency has two Public Utility Division (PUD) staff members who attend SPP meetings on regular basis, attending upwards of 200 meeting per year. The agency estimates there to be a Twelve Thousand Dollar (\$12,000) fiscal impact to the PUD division within the agency in order to properly keep track of the information required and produce the annual report.
