**Research Analysis**

The committee substitute to HB 2103 prohibits any member of the Judicial Nominating Commission who is related to an applicant for any position for which the Commission is responsible to submit nominations from participating in the decision-making process if the Commission member is related within the third degree of consanguinity or affinity. A member of the Commission who participates in violation is to be immediately removed from the Commission and permanently forbidden from being appointed to the Commission. Within 10 day of receiving the list of applicants, Commission members are required to disclose the date and amount of any contributions made to the judicial campaign of any applicant. The measure requires that the address on record at the State Election Board is to be used to determine the residence of a member of the Oklahoma Bar Association to determine eligibility for membership on the Judicial Nominating Commission.
