**Research Analysis**

HB 2150 prohibits the establishment of an unauthorized camp upon a street, sidewalk, or other public or private property within five hundred feet of public school or private school property. Violations are a misdemeanor punishable by a \$50 fine, imprisonment in the county jail for up to 1 year or both fine and imprisonment.

**Fiscal Analysis**

HB2150 creates a new crime prohibiting persons from establishing camps in certain places. Persons convicted of this crime shall be guilty of a misdemeanor punishable by a fine not to exceed \$50, or by imprisonment in the county jail not to exceed 1 year, or by both such fine and imprisonment. The frequency of convictions for a new crime is not predictable, however any revenues generated for the Administrative Office of the Courts (AOC) or costs incurred by the Department of Corrections (DOC) are expected to be immaterial and/or absorbed by the agency. Therefore, in its current form, this measure is anticipated to be budget neutral.
