

BILL SUMMARY
1st Session of the 60th Legislature

Bill No.:	HB 2154
Version:	CS
Request Number:	12981
Author:	Rep. Hall
Date:	2/28/2025
Impact:	No Impact

Research Analysis

The committee substitute for HB 2154 removes the requirement for charter schools to file an estimate of needs statement showing income from ad valorem because charter schools do not receive ad valorem. The measure clarifies, though, that charter school boards must approve a school budget prior to the beginning of each fiscal year.
