Research Analysis

The Floor Amendment to HB 2247 adds language requiring the State Department of Education to post any standards they develop to their website, and to also post any federal guidance they receive to their website.

--

The measure, as amended, directs the State Department of Education to develop standards for implementing the federal requirement to place students with special needs in the least restrictive environment. The Department must post any such standards to their website, along with any federal guidance they receive about placing students in the least restrictive environment.
