Fiscal Analysis

The proposed committee substitute to HB 2369 creates the Marissa Murrow Act, requiring bartenders to obtain a separate license, an Event Bartender License, to serve beer and wine at an event venue. The Event Bartender License is Fifty Dollars (\$50) annually and will be issued by the Oklahoma Alcoholic Beverages Laws Enforcement (ABLE) Commission. The measure also requires the event bartender to complete an in-person training within fourteen (14) days of initial licensure.

The ABLE Commission will incur programming fees to update its software to include the new license. While the ABLE Commission was unable to provide an estimate for the programming fees, the agency stated it is likely they could cover a portion of the costs. Depending on the actual costs, the measure may require additional appropriation. However, since these license fees are deposited into the General Revenue Fund and are not directly captured within the agency's budget for operations, the increase in state revenue will likely result in the measure having a neutral impact on the overall state budget.
