

BILL SUMMARY
1st Session of the 60th Legislature

| | |
|------------------------|-----------------------|
| Bill No.: | HB 2431 |
| Version: | Introduced |
| Request Number: | 11612 |
| Author: | Rep. Fetgatter |
| Date: | 2/10/2025 |
| Impact: | Minimal |

Research Analysis

HB 2431 authorizes Service Oklahoma to produce personalized license plates with black lettering on a white field or plates with white lettering on a black field.

Prepared By: Brad Wolgamott

Fiscal Analysis

HB 2431 requires Service Oklahoma to produce certain personalized license plates for certain persons. Implementation of the measure would require negligible Service Oklahoma system changes, which would take about two to three weeks and carry a minimal one-time administrative cost of approximately \$38,000.

After further communication with Service Oklahoma, any costs associated with the measure are anticipated to be absorbable through existing budgetary resources.

Prepared By: Zach Lein, House Fiscal Staff

Other Considerations

None.
