**Research Analysis**

The amendment to the proposed policy committee substitute for HB 2800 removes an "or" and adds a comma to make a list read as a more coherent series.

**Fiscal Analysis**

The amendment to the proposed policy committee substitute to HB 2800 makes grammatical corrections that neither change application of substantive law, nor materially alter the prior fiscal impact statement for the measure. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
