**Fiscal Analysis**

HB 2841 requires investment of four percent (4%) of certain funds in "eligible Oklahoma venture capital companies" or "eligible Oklahoma venture capital fund of funds" by the Board of Investors of the Tobacco Settlement Endowment Trust Fund. The measure essentially directs prudent investment practices for an already existing investment structure. Additionally, the measure does not mandate any action or expenditure by a state agency. Therefore, the measure is not anticipated to have a direct fiscal impact on the state budget or appropriations.
