

BILL SUMMARY
1st Session of the 60th Legislature

Bill No.:	HB 2893
Version:	INT
Request Number:	10531
Author:	Rep. Townley
Date:	2/19/2025
Impact:	No Impact

Research Analysis

HB 2893, as introduced, removes the requirement for paraprofessionals seeking certification to take 12 hours of professional education coursework if they have a college degree in education.

The measure further removes the requirement for any emergency certified, alternatively certified, or standard certified teacher to complete additional professional education coursework if they have a bachelor's degree in education.

Prepared By: Emily Byrne

Fiscal Analysis

The measure as currently written is not anticipated to result in a negative fiscal impact on the state budget or appropriations.

Prepared By: Cole Stout, House Fiscal Staff

Other Considerations

None.
