Research Analysis

The amendment to the proposed committee substitute to SB 997 amends the definition of *foreign adversary company* by replacing references to "parent company" with the word "entity." The amendment removes companies domiciled within a foreign adversary from the list of companies prohibited from bidding on contracts or submitting contract proposals with a state agency or political subdivision for goods or services. Lastly, the amendment establishes that the provisions of the measure do not apply to a company, including a third-party vendor, that is in compliance with the Secure and Trusted Communications Networks Act of 2019.
