

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 1007
Version:	INT
Request No.	845
Author:	Sen. Murdock
Date:	01/24/2025

Bill Analysis

SB 1007 expands the definition of conservation as it relates to the Conservation District Act to include the management, restoration, and rehabilitation of natural resources. The measure also provides that the disposal of excess waters shall be for the public benefit and sustainable social and economic utilization.
