**Bill Analysis**

SB 1034 provides that a retail spirits license holder selling wine, spirits, or beer at a multiunit discount may offer such a discount as an inducement. The measure prohibits any wine or spirits wholesaler licensee from providing spirits or wines to any licensee at a price less than 15% above the wine and spirits wholesaler's laid in cost of such spirit or wine. This prohibition shall not apply to discontinued or closed out wine or spirit offering.
