

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 1081
Version:	INT
Request No.	959
Author:	Sen. Murdock
Date:	01/28/2025

Bill Analysis

SB 1081 authorizes the Oklahoma Department of Agriculture, Food, and Forestry to enter into any public or private partnerships to foster veterinary medicine business development in rural communities and other areas with a shortage of such services.
