Bill Analysis

SB 1101 requires dental carriers offering dental coverage to file a report with the Insurance Commissioner that includes the dental loss ratio for the preceding calendar year reported by market segment on or before June 30, 2027, and each year thereafter. The initial report shall include dental loss ratios for the calendar years of 2024, 2025, and 2026. The measure directs the Commissioner to publish the report on a dedicated link or page before September 15 of each year.
