

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 1104
Version:	INT
Request No.	269
Author:	Sen. Frix
Date:	01/28/2025

Bill Analysis

SB 1104 requires the Oklahoma Medical Marijuana Authority to utilize software infrastructure that provides maximum flexibility for the exchange of data between the Authority and medical marijuana business licensees in its seed-to-sale inventory tracking system. The system must also allow such licensees to submit data to the Authority directly through a means or technology acceptable to the Authority and provide automated reporting for inventory and point of sale discrepancies.
