Bill Analysis

SB 141 directs the State Board of Education to issue a request for proposals for selection of a statewide student information system by November 1, 2025. The measure requires the system to comply with the Student Data Accessibility, Transparency and Accountability Act of 2013. It allows school districts to use other student information systems until July 1, 2027. It requires the State Board of Education by March 1, 2026, to procure a statewide student information system that all school districts will use. It directs the new system to be implemented by July 1, 2027.
