

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 25
Version:	INT
Request No.	392
Author:	Sen. Woods
Date:	12/13/2024

Bill Analysis

SB 25 appropriates \$200 million from the General Revenue Fund to the Rural Economic Transportation Reliability and Optimization Fund. The measure also lowers the maximum population cutoff to qualify for assistance from the Fund from 75,000 to 50,000.
