Bill Analysis

SB 26 authorizes retired members of the Teachers' Retirement System to be reemployed as active classroom teachers with no limit on earnings if such members have been retired and received benefits for at least 90 days after their last day of employment. Such members may be reemployed for a period of up to 3 years. The measure specifies that the employee shall not receive additional retirement benefits during the postretirement employment period. The 3% fee applied to the employee's paycheck each pay period shall be remitted to the retirement system.
