Request No.:	1613
Author:	Sen. Rader
Date:	02/13/2025

Bill Analysis

SB 274 requires landlords receiving certain income tax credits to implement a clearly defined criminal history screening policy for tenants. The policy must consider the safety of residents, the amount of time following a conviction, and establish a procedure for conducting individualized reviews of applicants with a criminal record. This policy cannot categorically reject any applicants solely because they have a criminal conviction. The individualized review shall consider various factors outlined in the measure.
