

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 410
Version:	INT
Request No.	125
Author:	Sen. Stanley
Date:	01/07/2025

Bill Analysis

SB 410 modifies the curriculum requirements for graduation. It adds computer science as an option to fulfill the laboratory science units or sets of competencies. Beginning with students entering the eighth grade in the 2025-2026 school year, the bill requires students to complete one unit or set of competencies in computer science, which may fulfill the mathematics, laboratory science, or pathway requirements.
