Bill Analysis

SB 42 provides that whenever a person leaves any watercraft other than a personal watercraft, the operators of such vehicles must display a red or orange flag on the vessel that measures not less than 12 inches by 12 inches. The flag must be visible for 360 degrees around the horizon. The flag shall not be displayed when towing a person but shall be displayed once the person enters the water. No person may operate any vehicle in excess of a slow or no-wake speed within 50 yards of the displaying vessel.
