

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 455
Version:	INT
Request No.	135
Author:	Sen. Pederson
Date:	01/07/2025

Bill Analysis

SB 455 defines “felt safety” as it relates to the Oklahoma Children’s Code to mean an individual who experiences safety by not anticipating harm or hurt, emotionally or physically, based on his or her present internal response and environment, and has relational security from his or her primary caregivers. The measure also defines “safety threat” to mean the threat of serious harm due to child abuse or neglect occurring in the present or in the very near future.
