

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 567
Version:	INT
Request No.	728
Author:	Sen. Dossett
Date:	01/14/2025

Bill Analysis

SB 567 authorizes patients to request health care providers and covered entities to restrict disclosure of protected health information for treatment and payment, to other person's involved in the patient's health care, to notify other family members. The measure also authorizes the patient to request such entities to restrict disclosure to another covered entity of the patient's name, address, date of birth, contact information, Social Security number, state identification information, or personal financial information.
