Bill Analysis

SB 693 creates the Social Media Mitigation for Minor Mental Health Fund for the Department of Mental Health and Substance Abuse Services. Additionally, the measure requires each social media company to prominently display a warning to any user who accesses the platform for the first time. The warning shall state that social media is hazardous to mental health, especially for young children. Any failure to provide this warning shall be considered an unlawful business practice and shall be subject to the provisions of the Oklahoma Consumer Protection Act. In addition to the civil penalties provided in the Consumer Protection Act, a judge may order an additional civil penalty of up to \$10,000.00.
