

Bill Summary
1st Session of the 60th Legislature

Bill No.:	SB 695
Version:	INT
Request No.	168
Author:	Sen. Pugh
Date:	01/15/2025

Bill Analysis

SB 695 provides for additional forms of confirmation to remove a student transfer from the four-year adjusted cohort graduation rate and the extended-year adjusted cohort graduation rate including official documentation and recording by the State Department of Education of transfer to another school site, school district, charter school, or private school; that the school site, district, or charter school from which the student transferred received a request for records; or that the school site, school district, or charter school received a letter of withdrawal or other written confirmation from a parent or legal guardian indicating the student would be homeschooled.
